LEGISLATIVE COUNSEL'S DIGEST

SB 1301, Vincent. Dogs and cats: spaying and neutering.

Existing law, scheduled to be repealed on January 1, 2006, generally prohibits public pounds and private shelters from selling or giving away any dog or cat that has not been spayed or neutered; provides, under certain circumstances, for the sale or giving away of a dog or cat that has not been spayed or neutered upon the payment of a refundable deposit, as specified; provides for the imposition of fines or civil penalties against the owner of a nonspayed or unneutered dog or cat that is impounded by a public pound or private shelter; and immunizes cities and counties, societies for the prevention of cruelty to animals, and humane societies from an action by the owner of a dog or cat for spaying or neutering the dog or cat in accordance with the law.

This bill would repeal the scheduled repeal date on these provisions. By extending the period of time in which local public pounds have duties under these provisions, this bill would impose a state-mandated local program upon local governments.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

The people of the State of California do enact as follows:

SECTION 1. Section 30503 of the Food and Agricultural Code, as amended by Section 2 of Chapter 747 of the Statutes of 1998, is amended to read:

30503. (a) (1) Except as otherwise provided in subdivision (b), no public animal control agency or shelter, society for the

prevention of cruelty to animals shelter, humane society shelter, or rescue group shall sell or give away to a new owner any dog that has not been spayed or neutered.

(2) For the purposes of this section a “rescue group” is a for-profit or not-for-profit entity, or a collaboration of individuals with at least one of its purposes being the sale or placement of dogs that have been removed from a public animal control agency or shelter, society for the prevention of cruelty to animals shelter, or humane shelter or that have been previously owned by any person other than the original breeder of that dog.

(b) (1) If a veterinarian licensed to practice veterinary medicine in this state certifies that a dog is too sick or injured to be spayed or neutered, or that it would otherwise be detrimental to the health of the dog to be spayed or neutered, the adopter or purchaser shall pay the public animal control agency or shelter, society for the prevention of cruelty to animals shelter, humane society shelter, or rescue group a deposit of not less than forty dollars (\$40), and not more than seventy-five dollars (\$75).

(2) The entity shall establish the amount of the deposit at the level it determines is necessary to encourage the spaying or neutering of dogs.

(3) The deposit shall be temporary, and shall only be retained until the dog is healthy enough to be spayed or neutered, as certified by a veterinarian licensed to practice veterinary medicine in this state.

(4) The dog shall be spayed or neutered within 14 business days of that certification.

(5) The adopter or purchaser shall obtain written proof of spaying or neutering from the veterinarian performing the operation.

(6) If the adopter or purchaser presents proof of spaying or neutering to the entity from which the dog was obtained within 30 business days of obtaining the proof, the adopter or purchaser shall receive a full refund of the deposit.

(c) Public animal control agencies or shelters, society for the prevention of cruelty to animals shelters, humane society shelters, and rescue groups may enter into cooperative agreements with each other and with veterinarians in lieu of requiring spaying and neutering deposits to carry out this section.

(d) Any funds from unclaimed deposits made pursuant to this section, as it read on January 1, 1999, and any funds from deposits that are unclaimed after January 1, 2000, may be expended only for programs to spay or neuter dogs and cats, including agreements with a society for the prevention of cruelty to animals or a humane society or licensed veterinarian to operate a program to spay or neuter dogs and cats.
